

27 Students Receive Honor Awards

Given certificates as honor graduates this week were 27 members of the senior class at McKinley Intermediate School.

Chosen on a basis of scholarship and citizenship, the 27 were presented awards by Andrew Spinas, superintendent of school.

Honorees were Patricia Belton, John Van Bentham, Patricia McKenna, Marjorie Friend, David Stoot, Marie Kinney, Irene Winnick, Lillian Martin, Wilbur Johnson, Harriet Callogly, Betty Davis, Pauline Hawkinberry, Eleanor Johnson, Millicent Prime, Alma Tenze, Betty Wheeler, Charlene Kelly, George O'Neal, Dorothy Long, Margaret Parker, Kei Nakano, Hildegard Ostertag, Ellain Langdon, Anne Spence, Stanley Cattrell, Clarissa Hubbard, Everett Rockhold.

Graduation exercises, at which time the American Legion awards for the best boy and girl pupils will be awarded, will be held tomorrow at 8 p.m. in the school auditorium. Last classes will be held Friday morning.

Tivoli Will Give Variety Show

The Tivoli, San Francisco, re-lights Thursday evening, June 18, with a policy of spectacular girl-song-dance shows at popular prices. The new venture is under the direction of the Curran Theater Co. and will introduce "Varieties of 1942," a harlequinade requiring the services of a numerous cast and what the modest interest inciter is pleased to call a chorus of "48 fairest flowers of Venus' garden."

Two performances will be given nightly, at 8 and 10 o'clock. For the first week there will be no matinees. All seats will be reserved and sold in advance. By reason of the spacious seating capacity—the Tivoli is the largest legitimate theater in town—and with the two-nightly policy it is believed that volume will offset the lower scale of prices that would under ordinary conditions prevail for an attraction of similar standard.

"Varieties of 1942" may mark the beginning of a new cycle in the amusement world. It would not be inapt to say that San Francisco should be the spot. From the days of the bawdy Bella Union or Thalia down through the Orpheum in its halcyon days the City by the Golden Gate has had a keen yen for fast moving entertainment that features beautiful girls and diverse specialties, reeled off with kaleidoscopic facility.

The recent success in the East with productions of similar character was the cue that set the Curran interests on the present venture.

For the record, the re-entry of the Tivoli as an active show-shop brings the usable seating capacity of San Francisco to its all-time high. Less than 2 per cent of the available chairs in San Francisco playhouses are not now rentable.

The scarlet carnation is the official state flower and the cardinal is the official state bird of Ohio.

United States consumption of petroleum products increased more than 12 per cent during 1941.

Graduation exercises, at which time the American Legion awards for the best boy and girl pupils will be awarded, will be held tomorrow at 8 p.m. in the school auditorium. Last classes will be held Friday morning.

Board Studies New Budget

A flat \$15 per month war bonus for all paid up to \$200 was in prospect today for Redwood City municipal employees after informal budget discussion by the city council Tuesday. It was estimated the bonus plan would cost between \$9000 and \$10,000. Smaller adjustments would be made for employees paid more than \$200, it was planned.

After preliminary discussions a \$400 expenditure for Christmas street lighting was canceled for the duration; appropriations for advertising and \$700 for the municipal band were placed on the questionable list.

By four-to-one vote, the council agreed to allow City Clerk C. W. Eltringham to rehire, on a temporary basis, Mrs. Patricia Fogarty, bride of Policeman Edwin G. Fogarty and for four years a city employee. Eltringham said he could find no suitable replacement.

Councilman George W. McNulty, opponent of "working wives" and especially opposed to man and wife both being on the city payroll, opposed even temporary rehiring of Mrs. Fogarty.

Tentative approval of a 10 per cent pay increase for Eltringham was given. He requested that the port be charged \$600 per annum for bookkeeping done by the city clerk's office, that the charge against the water department be increased to \$900 per annum, and that civilian defense be charged \$300 a year for the services of his office.

The council voted to meet with city employees next Tuesday to hear their requests for salary adjustments.

Graduation exercises, at which time the American Legion awards for the best boy and girl pupils will be awarded, will be held tomorrow at 8 p.m. in the school auditorium. Last classes will be held Friday morning.

Picture Story of U. S. Flag

LIBERTY **LIBERTY OR DEATH** **LIBERTY TREE**

PRE-INDEPENDENCE FLAGS—Depicted above are banners carried by American patriots when they first took up arms in 1775. At the left is the blue flag with its white crescent which was nailed to the staff at Fort Moultrie by Sergeant Jasper. In the center is the Rattlesnake Flag of the Virginia minute men at Culpeper. At the right is one of the New England pine tree flags.

THE FIRST STARS AND STRIPES **FIFTEEN STARS AND STRIPES**

This is the first Stars and Stripes. The Continental Congress on June 14, 1777, resolved: "That the thirteen United States be thirteen stripes, red and white; that the Union be thirteen stars, white in a blue field, representing a new constellation." According to legend the five-pointed stars were designed by Mrs. Betsy Ross.

With the admission of Vermont and Kentucky to the Union two stars and two stripes were added to the flag following an Act of Congress in 1794. It was a flag of 15 stars and 15 stripes over Ft. McHenry that inspired Francis Scott Key to write "The Star-Spangled Banner." Congress in 1818 restored the original number of stripes.

MENLO PARK NEWS

BY D. E. O'KEEFE

John Costa was here from San Francisco this week seeking a site for a theater. He was shown several places. He favored a lot on Oak Grove Ave. which he may purchase to build a \$40,000 playhouse.

Mrs. Dorothy Fisher and her young son, Foster, of Portland, Ore., are here to spend the Summer with the former's father, Arthur Taylor of Atherton.

Julian Harvey, owner of the Menlo Park and Mayfield Theaters, who died in Palo Alto this week, was well known and popular in the community. It was his intention to build a fine show-house here and give the people splendid shows. It is doubtful if the proposed building will be erected.

The city council met in regular session Tuesday night. Only routine business was transacted. Meetings will be held regularly during the Summer months.

Mr. and Mrs. J. W. Casey, with their two lovely daughters, arrived here this week from New York to make their permanent home in Menlo Park. The girls will attend Sacred Heart Convent next semester.

James Kehoe of San Mateo, an aspirant for the office of tax collector of San Mateo county, was in Menlo Park during this week soliciting support among his many friends. He has an excellent chance to win.

Sarah Fry has disposed of her herd of goats on her ranch on the highway. She has kept a few for her own use. The 35 head were destroyed one day last week at the pound in Palo Alto. The owner did not want the animals to fall into the hands of someone who might treat them cruelly.

Handcraft Class Removes Exhibit

Members of the adult handcraft class taught as a part of the Redwood City Works Progress Administration recreation program have removed the display which has been shown in a downtown store window for the past week and prepared to continue their studies under the direction of Mrs. Theo Friend, instructor.

Mrs. Friend said today the exhibit attracted much favorable comment. Particularly outstanding were a large chest of drawers with copper trimming and a wood inlaid table top. Other articles of handcraft also were shown.

The adult class meets every Tuesday and Wednesday from 10 a.m. to 2 p.m. New registrants are being accepted at the present time.

M. G. Paterson Is M.P. Fire Commissioner

Malcolm G. Paterson of Menlo Park was sworn in this week by the Menlo Park-Atherton District Board of Fire Commissioners to replace Warrington Dorst, who has joined the army as a lieutenant at Fort Mason.

Mr. Paterson, sales manager of the California Packing Co. in Menlo Park, was appointed by the San Mateo County Board of Supervisors to fill out the remaining two years of Mr. Dorst's term.

Motor Transport Corps Promotes 4 Members

Four women won promotions in the Redwood City Women's Motor Transport Corps this week. June Williams and Mabel Estes both received the rank of corporal; Hazel Murry and Carmen Barreto became honor guards.

The local organization had planned to participate in the Veterans of Foreign Wars parade in Santa Cruz last weekend, but did not go because members were on duty.

White Elephant Sale Proves Sell-out

"Sold out."

So said Mrs. Lauretta Paulson, vice principal of McKinley School, in announcing results of the "two-for-one" white elephant sale conducted by her class in office practice Saturday. The class raised \$37.77 from the sale of donated items. This amount will be turned into war bonds and stamps which in turn will be purchased by Mrs. Paulson. The class will then donate the proceeds to the blood bank.

Already raised by the class were these amounts: \$17.50 from a school ice cream concession and almost \$20 from previous sales and other activities.

Mrs. Paulson's class shared honors with Miss Irene Lagorio, who operates the school cafeteria; Thomas Vernal, custodian; Miss Gene Nagel, art teacher whose pupils made the advertising posters, and Andrew Spinas, school superintendent, who gave the class the ice cream and candy sale concession one day each week.

S.C. Volunteers Receive Praise

SAN CARLOS — Congratulations for their work since Pearl Harbor was extended more than 400 civilian defense corps workers last night in the San Carlos school auditorium by Truman S. Waterman, city councilman.

During the meeting Mayor A. H. Sagehorn, as director of civilian defense, introduced groups within the movement and announced his appointment of William F. Herbert as chief air raid warden to replace Richard Zemke. Zemke will leave June 16 for McClellan Field near Sacramento to join the army air corps. Herbert was formerly precinct captain of wardens in precinct 10.

Mrs. F. Paul McManus, a San Carlos resident, sang four patriotic songs during the evening; Harold Cooper presented a brief resume of the program for the Fourth of July planned by a committee headed by himself, and Boy Scout troops presented the colors for a pledge of allegiance.

Redwood City Woman Sponsors New Ship

Mrs. Robert Wood Sr., former Redwood City resident, was sponsor for the Ocean Valentine when it was launched at Richmond Shipyard 1 of the Permanente Metals Corporation.

Mrs. Wood, whose husband is now master shipfitter at the yard, was assisted by her daughter, Miss Margaret Wood. Robert Wood Jr. pulled the launching lever.

C. D. Cox, president of the British Maritime Commission, presented Mrs. Wood with a commemorative silver tray. The Ocean Valentine, 10,500-ton cargo ship, is being built for the British government under the Lend Lease Act.

At another launching the destroyer tender, U.S.S. Cascade, slid down the ways at the South San Francisco yards of Western Pipe and Steel Co. Mrs. Charles W. Crosse, wife of Capt. Charles W. Crosse, U.S.N., christened the vessel, which is the largest yet built at the South City yards. Sunday traffic on Bayshore Hwy. was slowed down for an hour because of the hoards of spectators.

BUY WAR STAMPS AT WARDS

Follies Present Ice Tumbling

Tumbling on ice, a strenuous and difficult activity at best, is presented, garnished with hilarious comedy touches, nightly at Winterland in San Francisco, by the McClellens, Gill and Tufts, in Shipstad and Johnson's dazzling Ice Follies of 1942.

Former Michigan State tumbling champion, the two pint-sized blade artists transferred their acrobatics to ice quite casually in 1935 while they were working in Muskegon, Michigan, ice rink. One evening, after an Ice Follies performance, the boys were practicing their stunts when Oscar Johnson and Eddie Shipstad saw them. After that it was on and up.

Previous to this Horatio Alger episode, the boys had indulged in practically every sport in the book. They played football, softball and hockey. Gil took a shot at pole vaulting and a dash at track, while Tufts was declared the best cheerleader in Michigan.

As football players in the current dazzling Ice Follies of 1942, Gil and Tufts are surpassing their own previous amazing performances. Skimming over the ice in a series of unbelievable stunts, at the same time playing football, the McClellens nightly tax the credulity of capacity audiences at Winterland.

Notice To War Veterans

All War Veterans owning property in San Mateo County entitled to the benefits of the Exemption as provided for in Section 14, Article XIII, of the Constitution of the State of California, are requested to file their exemption with the County Assessor as soon as possible in order to aid this office in the completion of the 1942 Assessment Roll. The State law provides that all exemption affidavits MUST be filed with the County Assessor the last Monday in June.

MARTIN J. FLYNN,
Assessor,
County of San Mateo.

'King's Row' at Sequoia Sunday

Ann Sheridan and Ronald Regan, in a scene from "King's Row," which shares honors with "Miss Polly" on the Fox Sequoia Theater screen this Sunday, Monday and Tuesday. James Stewart will also be on the bill in "Winning Your Wings."

R.C. Toastmasters Install Officers at Final Meeting

The Redwood City Toastmasters Club stood adjourned until fall today following installation of officers Monday at the final meeting until September. Daniel J. Connor took office as new president of the organization.

Chester C. Armstrong, vice president; Frederic W. Gibbs, secretary-treasurer, and Norman F. Meyer, sergeant-at-arms, were seated by James P. Hagan, a past president. Connor was inducted by John W. Brand, outgoing president.

Among the entertainers presented by Fred W. Schmitz following a fried chicken dinner were Beth Childs, who played "Song of India" on the oboe, and "The Camels Are Coming," imitating a bagpipe with the reed instrument; Ormond McGill of Palo Alto, who presented a number of magic tricks, and a quartet, composed of W. Earl Whitaker, Paul B. Baker, Karl D. Ernst and Ernest C. Baker, which was dressed in "Gay '90's" costumes and entertained with "barber shop" harmony. Miss Childs was accompanied by her mother, Mrs. A. A. Childs.

Several former Toastmasters and their wives attended, as did wives of present club members and several members of the Toastmistress Club, including Miss Mura Stilleston, local president, and Mrs. Clarence S. Gable, international president.

S. S. Mayo was toastmaster. All donations will be welcomed no matter how large or small. Contributions may be specified for any of the three camps named or divided among all three. If the donor has a specific young person in mind he may also designate who shall receive the benefit of the donation.

Red Cross Canteen Now Open Each Day

Red City's Red Cross Canteen opened this week in old police station on Jefferson Ave. near Broadway, and lunches will be served each noon to women in the surgical dressing room and office forces. This is primarily to give nutrition students instruction in mass feeding. Mrs. Ernest Fox is in charge.

Campership Fund Needs Donations

In just one week from Sunday camping sessions in both the Young Men's Christian Association boys' camp at Jones Gulch, near La Honda, and the Boy Scout camp at Pescadero will begin, but so far the Tribune-Lions club fund to send needy lads to camp stands at only \$130.

From this money must come funds to send the boys to either the Y.M.C.A. or Boy Scout camp and to send girls to the Girl Scout Camp Chapparral.

It takes \$10 to send a boy to a camp for a week and \$20 to send a girl. This year, more than ever, camp officials point out, it will be harder to provide these funds and yet the need is still the same. It is necessary that young children get the advantage of fresh air and outdoor life such as only a camp can give.

MANY NEEDS LISTED

Glen Snyder, Peninsula Y.M.C.A. executive, for example, has received many calls from school nurses in Redwood City and other Peninsula towns giving the names of youngsters who need such an opportunity.

To demonstrate the need for camping—even during war times—Y.M.C.A. officials have pointed to the fact that the federal government although denying the use of buses for practically every other mass movement, has authorized such use to take campers to the outdoors.

MAKE CHECKS PAYABLE

Redwood City-zens willing to finance some worthy lad or girl on a week's outing may do so by filling out checks to the Tribune-Lions Campership Fund and sending or bringing them to the Tribune office at 30 California St.

All donations will be welcomed no matter how large or small. Contributions may be specified for any of the three camps named or divided among all three. If the donor has a specific young person in mind he may also designate who shall receive the benefit of the donation.

30 Per Cent Cut Foreseen

C. H. Purcell, state highway engineer, this week warned San Mateo County Board of Supervisors that the gas tax income with which it finances its county road program will dwindle by more than 30 per cent during the next year.

While county officials have already affirmed that a special road tax will not be imposed during 1942-43, the situation took a grave turn in view of state estimates. Indications were that at the current trend, gas tax income would be cut in half by the beginning of July, 1943.

CAR SALES HURT

Purcell said the figures were the best available estimates, but did not take into account the possibility of gasoline rationing. An additional reduction in the local tax revenue was seen in the freezing of new sales. Purcell predicted that the decrease in motor vehicles licenses would reduce the "in lieu" tax revenue to counties and cities by half in 1943.

Purcell pointed out that for the five years prior to February, 1942, gas tax income showed a steady increase. In that month the trend was reversed. In March the tax income was off 9.5 per cent and by April the decrease was 15.8 per cent.

INCREASING LOSS

His estimate showed a gradually increasing loss of revenue quarterly after July of this year until April, 1943, when the apportionment would be nearly \$7,000,000 under current levels.

His predictions for fiscal 1942-43 was a gas tax income of \$40,680,000 compared to \$58,608,591 for the current year.

Spring Offensive on Home Front

Saturday Campaign Boosts Commuters Club Bond Sales

The Redwood City Commuters Club and its Boy Scout Troop 180 have effected street sales of War Bonds and Stamps in excess of \$10,000, Clarence Brize, club treasurer, announced today.

Saturday's sales, from three booths on Broadway and Main Sts., totaled \$5875 in bonds and \$518.15 in stamps, a total for the day of \$6393.15. Prior to these returns the Commuters had sold more than \$4000 worth of bonds and stamps to bring their total well over \$10,000.

At each of the three booths Saturday, music and specialty acts arranged by Tom Giannini helped draw public attention to the bond sales. Giant Jack Earl, eight and a half feet tall, was loaned to the venture through the courtesy of Roma Wines.

Little Billy Foster of 1720 Jefferson Ave., who, dressed as Uncle Sam in a red, white and blue costume, tap danced on a bass drum while a 40-piece Scout Band furnished the music.

DAMAGE SUIT

Mrs. Wilma Shipman, wife of Richard Shipman of Salinas, killed on Bayshore Hwy. at Main St., Redwood City Nov. 29, Tuesday filed suit for \$50,340 damages from Anthony Nasello, 20, of San Jose, driver of the automobile which struck her husband. Shipman, the complaint alleges, was walking on the highway when struck by Nasello's vehicle. Shipman, 33, was the father of two children, Richard, 10, and Joann, 9.

ESTATE APPRAISED

William H. Pfafflin, former owner and manager of the Progress Lumber Co. in Redwood City who died at his Redwood City home Apr. 13, left an estate valued at \$22,185 according to an appraisal on file in superior court. The estate included \$5825 in cash and securities in the Celanese Corp., Chesapeake and Ohio Rwy., Crown Zellerbach Corp., and Texas Gulf Sulphur Corp. The appraiser was James A. Lee.

100 Boys Attend Park 'Y' Day

"Y" Day at Flood Park drew approximately 100 youngsters from Menlo Park, Belmont, San Carlos and Redwood City for a session of games and outdoor cooking under the supervision of Young Men's Christian Association leadership Saturday.

Under the direction of Andrew Stevens, Redwood City "Y" program director, the group played football, baseball, tennis, swim and hiked. Members of a baseball club from McKinley School defeated a group from the San Carlos Recreation Center, 6-2.

During the afternoon the lads cooked meals over outdoor fires. Stevens announced this morning that the outing was the first of a series to be sponsored by the organization during the summer months to acquaint boys with the nature of his association.

FIRE NEAR DEPOT

A grass fire near the Southern Pacific depot was extinguished by the Redwood City Fire Department at 8:25 p.m. Monday.

Seniors Are Encouraged

A note of encouragement was tendered members of the Sequoia Union High School graduating class Sunday at senior services conducted in the school auditorium.

Dr. Samuel J. Chaney, pastor of the First Methodist church, told the class and an audience estimated by high school officials at 700 that despite the war he believed there was still an opportunity for success to the graduate who is willing to say "I'd rather" instead of "I will."

The minister told the class that what they will do in a crisis is determined by what they are today, and at one point quoted the words of Thomas Edison saying, "I'd rather do without food and sleep than to give up what I'm trying to do."

Ministers of five churches, the school orchestra and the senior choir also took part in the program.

The brink of Niagara Falls is receding at the rate of two and a half feet a year.

2ND ANNIVERSARY SALE

THE SPECIAL SALE EVENT OF THE YEAR!
OUR FIRST SALE OF THE SEASON!
STARTS TOMORROW!

Because this is our first sale of the season, and because it is a very special event for us, the women of Redwood City will find superlative values in all the groups listed below . . . at a time when savings mean so much.

PUBLIC NOTICE

Kirkbride & Wilson, Attys.
NOTICE OF TRUSTEES' SALE

On Monday the 29th day of June, 1942, at 9:45 o'clock a.m., at the Middlefield Road entrance to the County Court House in the City of Redwood City, County of San Mateo, State of California, GEO. W. HALL and F. H. BORING, as trustees, will sell at public auction to the highest bidder for cash, in lawful money of the United States, the following described real property, situate in the County of San Mateo, State of California, and described as follows:

Lot numbered one (1) in Block numbered twelve (12) as shown on that certain map entitled "Map of Co-Operative Land & Trust Co. Tract Subdivision No. One of North Palo Alto, San Mateo Co. Cal.", filed in the office of the County Recorder of San Mateo County July 1, 1907, in Book 5 of Maps at page 13.

Said sale will be made without covenant or warranty regarding title, possession, or encumbrances to satisfy the obligations secured by, and pursuant to the power of sale conferred in a certain Deed of Trust dated September 18, 1934, between FRANK H. LAWTON and MARY LAWTON, his wife, as Trustors, to W. F. TURNBULL and GEO. W. HALL, as Trustees, and "SAN MATEO MUTUAL BUILDING AND LOAN ASSOCIATION, a corporation, as Beneficiary, and recorded in the office of the County Recorder of the County of San Mateo, State of California, on the 19th day of September, 1934, in Volume 629 of Official Records, at page 338.

NOTICE IS FURTHER GIVEN that said W. F. TURNBULL heretofore died on January 4, 1935, and that thereupon by resolution of the Board of Directors of said Association, F. H. BORING was duly substituted as Trustee in the place and stead of said W. F. TURNBULL, and that a certified copy of said resolution and of the document signed by said Association making such substitution, was heretofore and on February 26, 1935, duly recorded in the office of said County Recorder in Volume 649 of Official Records, at page 9, to which reference is hereby made.

Dated: May 29, 1942.

GEO. W. HALL,
F. H. BORING,
Trustees.

PUBLIC NOTICE

Baldwin & Baldwin, Attys.
NOTICE OF HEARING OF PETITION TO LEASE REAL ESTATE
No. 9656—Dept. No. 2

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of MARY HOOPER SOMERS, also known as MARY H. SOMERS, also known as MARY M. SOMERS, Deceased.

NOTICE IS HEREBY GIVEN THAT GEORGE WILLARD SOMERS and ARTHUR W. HOOPER, Executors of the Last Will of MARY HOOPER SOMERS, also known as MARY H. SOMERS, also known as MARY M. SOMERS, Deceased, have filed in this Court their verified Petition praying for an Order authorizing them to lease an undivided one-third (1/3) interest in and to certain premises situate in the City and County of San Francisco, State of California, and generally described and known as 1636 Market Street, and that Monday June 15th, 1942, at 10 o'clock, a.m. of said day at the Courtroom of Department No. 2, Probate thereof, at the Court House in Redwood City, in the County of San Mateo, State of California, have been set as the time and place for the hearing of said Petition, when and where all persons interested may appear and contest the same, and show cause, if any they have, why said Petition should not be granted. Reference is hereby made to said Petition on file in my office for further particulars as to a particular description of the premises and to the terms and conditions of the proposed lease.

DATED: June 3rd, 1942.
W. H. AUGUSTUS, Clerk.
By MURA B. STILLESON,
Deputy Clerk.

(SEAL)
A. R. BALDWIN and

Date of first publication, June 12, 1942.

Belmont City Council Squabbles Over Proposed Budget Increase

BELMONT—A city council meeting, originally slated to handle a routine discussion of a planned annexation, Monday night turned into an unscheduled heated squabble over the 1942-43 Belmont city budget.

Main point of controversy was the continued hiring of an extra policeman who was put on the force following the declaration of war. Including the extra man the department now employs a staff of three.

As proposed by the council finance committee, the budget for next year would call for the expenditure of approximately \$21,000 and a 70 cent tax rate.

Councilman Francis Kilkeary claimed that spending this amount, \$2000 more than last year, without increasing the tax rate would mean that \$3900 of the budget would have to be taken from a surplus in the city

treasury. He advocated trimming the budget to the point where the 70 cent tax rate of last year could be maintained without dipping into surpluses.

Mentioned as spots where cuts could be made were outlays to the police department and the civilian defense. If both the extra policeman and a civilian defense watchman were dispensed with, the budget would call for the expenditure of last year's sum. The civilian defense watchman has already been dismissed because it was found calls from the San Mateo County sheriff's office of air raid warnings could be handled by the job he had been assigned.

Final discussion of the budget will be made at the next council meeting, June 22.

The petition from tract owners in the Bayview Heights tract between Belmont and San Carlos for annexation was received and dates set for a protest meeting and election to determine whether

er the majority of the approximately 50 voters in the tract desire annexation.

The protest meeting will be conducted in the Belmont City Hall June 29 and the election, Aug. 4. Eligible to make protests in writing are tract home owners.

Jennings Estate Exceeds \$10,000

Mrs. Annie Jennings, 85, who died in Atherton May 31, left an estate valued in excess of \$10,000 according to a petition for letters of administration filed in superior court Tuesday. Petitioner declares she left no will. Named as heirs at law are a son, Thomas J. Jennings, and a daughter, Mrs. Richard H. Goldsmith, both of Atherton.

Mrs. Jennings was born near Santa Clara, and her father, Richard Duncan, came to California in 1846 on the day the first American flag was raised at Monterey by Commodore Sloat.

Courthouse Pole Falls, Hurts Man

The American flag was lowered from the courthouse Tuesday after an accident county employees in the building feared was a bomb or at least an explosion. Walter Ray, chief custodian, explained that the steel pole, one of three on the courthouse annex roof, was lowered at about 10:30 a.m. to repair a halyard. Half way down the heavy pole got out of control and fell, slightly injuring Arnold Cardoza, one of the building maintenance men.

The steel pole struck a ventilator and sent the sound of the blow echoing through courthouse rooms. It grazed Cardoza's knee and fell on his foot. The pole

DePatta Describes Salvage Procedure

Frank A. DePatta, Redwood City salvage campaign director, today requested householders to observe the following procedure in making salvaged items available for the war effort:

1. Paper—Bundle the paper securely, place it beside your garbage container. It will be removed by the regular collecting agency without additional charge.

2. Tin—When you have accumulated a quantity of flattened tins, deliver them to any service station. The city maintains no service for collections of tins from private homes.

and the ventilator both were damaged.

The accident left only two flagpoles standing. This afternoon the county and state flags were flying. Old Glory was furled.

Davis Completes Basic Training

With his graduation from the basic flying school at Goodfellow Field, San Angelo, Tex., Aviation Cadet Billy Arvel Davis, son of Mr. and Mrs. Thomas J. Davis of 432 Vera Ave., Redwood City, this week enters the last lap of his flight training before being commissioned as a flying lieutenant in the Army Air Corps.

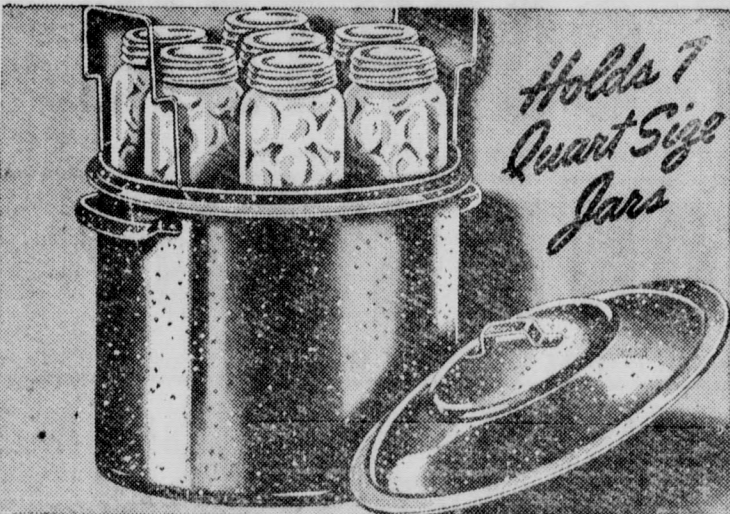

Davis now moves on to an advanced flying school. He attended San Jose State College and took his primary flight instruction at Hicks Field, Fort Worth, Tex.

To Regulation No. 73**Boy Scout Activities****19 S.M. County Troops
Will Have Members at Camp**

Nineteen San Mateo County Boy Scout troops have boys registered to attend Camp Pescadero and Camp Kit Carson, Scout Executive Edward A. Barrer said today. Troops 1, 35, 48, 75, 98, 107, 108, 117, 120, 142, 143, 144, 147, 153, 156, 157, 160, 161 and 23 have indicated that some of their members will attend one of the two summer vacation spots. Additional applications are being received at scout headquarters daily, particularly for the first period beginning June 2.

Deadline for the first period registrations is June 15. Registrations for second and third periods will be received later if necessary.

Camp staff members will meet at scout headquarters Saturday at 9 a.m. to perfect final arrangements for opening of Camp Pescadero with an advance guard early next week.

Barrer today reminded scouts going to camp of the following points of information:

CAMP DETAILS

The fee is \$10 per week; transportation by chartered bus is \$3 roundtrip; all fees and bus fare must be paid at least one week before departure for camp; scouts must have their physical examinations and completely filled out application blanks on file at scout headquarters not later than one week before departure.

A council Cuboree will be held Sunday at 2:30 p.m. at Flood Park. Games and swimming will be featured during the afternoon and evening for all Cubs and parents in San Mateo County.

Southern division scout committee members held a joint meeting with scoutmasters of the district last night at the D&D. Cafe in Atherton.

TROOP ACTIVITIES

Pers. Perry Bygones will be the honor speaker at the Court of Honor and parents night of Redwood City Troop 120 tomorrow night.

San Carlos Pack 53 will hold a picnic meeting for 125 Cubs and parents Friday night in the city park.

Scout Executive Barrer spoke before the June meeting of Redwood City Pack 16 last week. One hundred fifty Cubs, parents and visitors were present.

**15 R. C. Students
Graduate Tomorrow**

With Dr. Albert Leon Guerard of the Stanford University faculty as commencement speaker, San Mateo Junior College will hold its twentieth graduation exercises Friday morning at 10:30 at the Woodland Theater in Hillsborough. In the graduating class of 168 high sophomores are 15 students from Redwood City.

The group from Redwood City includes Joseph Grassilli, John Heiry, Joseph Murdock, Josephine Rudy, Miriam Barton, Robert Booth, Glenn Chandler, Graham Hone, Hughson Mooney, Pherron Muchmore, Rose Roy, Albert Sahlberg, Joseph Samson, Mary Schmidt, and Gordon Welch.

Large numbers of skiers from the United States go to Banff, Jasper and Mount Revelstoke National Parks in Canada since the war closed European ski grounds to Americans.

Mount of Emerville will officiate. Five applications for membership were received last night. A dance is held at Foresters Hall each Saturday night.

**Foresters Make Plans
For Class Initiation**

Court Madrone 158, Foresters of America, last night made plans for next Wednesday's class initiation, which will be in honor of Leon Joseph of San Francisco, past grand chief ranger here. The degree team of Court Shell

**GOOD REASON FOR BEING
PROUD and HAPPY**

The new-born infant is an object of pride, happiness and concern on the part of parents. If the father has insisted on his wife being under the physician's care during the prenatal period, if he has provided means for delivery at the hospital, where every safety precaution is at hand and where needed rest is insisted upon and embarrassments avoided, if he has bequeathed this tiny mite of humanity a clean bill of health then, indeed, he has the right to be proud and happy.

It costs no more to KNOW things are progressing naturally and every prospective father should insist on his wife being under the physician's care. Many complications and much pain and anguish may be avoided. Modern obstetrical knowledge and aseptic methods almost work miracles and the mortality rate of hospital-delivered obstetrical cases is disappearing to the vanishing point.

Idaho Governor Hoes Beets for Defense

When an emergency call was issued by farmers near Meridian, Idaho, who feared their crops would be ruined by lack of workers, Governor Chase A. Clark and his daughter, Bethine, pitched in to help the beet thinning work. They seem to be enjoying it, too.

**Chamber of Commerce
Has Price Booklets**

H. C. Mitchell, chairman of the merchant's committee of the Redwood City Chamber of Commerce, announced today that 50 copies of Bulletin 2 from the Office of Price Administration are available for distribution to city merchants.

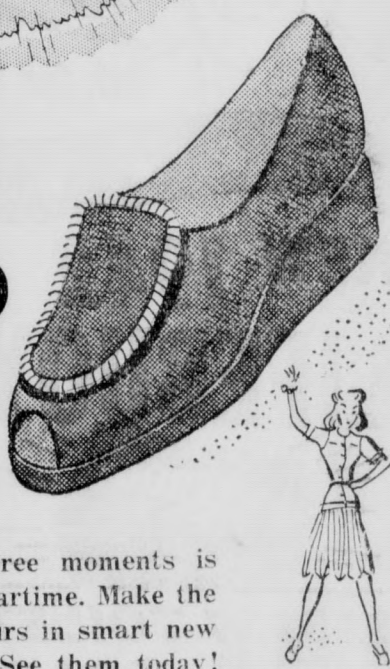

Roscoe D. Wyatt, secretary of the chamber of commerce, disclosed that the bulletin tells "what every merchant should know" about price ceilings.

**Bel Canto Sought
For Return Engagement**

Redwood City's Bel Canto Chorus, which appeared recently in San Francisco in concert, has been asked to return July 26, it was disclosed today. The chorus has been asked to appear at the Sigmund Stern Grove in connection with its summer concert season. The grove's season will be opened next Sunday by the San Francisco Symphony.

"WHERE VALUES MAKE FRIENDS"

Belmont Will Consider Start of Kindergarten

BELMONT—A petition for the establishment next fall of a kindergarten in Belmont will be presented to the school trustees on July 28. The board will then decide if a school room and teacher for the pre-school children will be furnished, according to Trustee L. A. Barrett.

This is the second attempt to obtain a kindergarten in Belmont. One last year, promoted by Mrs. Fred Johnson Jr., failed for lack of one name. This year, however, there are more than enough, Mrs. Shellhammer and Mrs. LeRoy Aubert having already obtained the necessary quota of 25 names of children between the ages of 4½ and 5½ years.

The U. S. Navy changed from a navy of wood to a navy of steel between 1873 and 1898.

• S-T-R-E-T-C-H out your sugar budget! These crispy, golden cream puffs need no sugar, but satisfy your sweet tooth completely. The smooth, glossy filling is made with sweetened condensed milk. Peanuts

add extra goodness and nutritive value to this luscious filling.
Do you know it's easy as anything to make cream puffs? Do it the Spry way—no fussing or fooling—mixing is so easy and quick, when you use creamy, all-vegetable Spry. Try these recipes soon.

Cream Puffs
½ cup Spry
1 cup boiling water
¼ teaspoon salt
4 eggs, unbeaten

Bring Spry and water to boiling point in saucepan. Sift flour and salt together. Add to water all at once and beat vigorously until mixture is thick and smooth and comes away easily from sides of pan. Remove from fire.

Add eggs, one at a time, beating thoroughly after each addition until mixture is smooth and blended. Drop mixture from tablespoon about 2 inches apart on Sprycoted baking sheet. (The mixture should

hold its shape and not spread.) Bake in very hot oven (450°F.) 10 minutes, then reduce heat slightly to 400°F. and bake 25 minutes longer. Cool. Split each puff. Fill with Nut Cream Filling. Dust with confectioners' sugar. Makes 18 puffs.

Nut Cream Filling
½ cup water
½ cup sugar
½ cup salt
½ cup vanilla
½ cup peanuts, chopped

Mix flour and salt in top of double boiler. Combine egg yolks, condensed milk, water. Add to flour gradually, stirring until smooth.

Place over hot water and cook until smooth and thick, stirring constantly (about 10 minutes). Cool, stirring occasionally, to prevent a skin forming on top. Add vanilla and peanuts. (Peanuts may be omitted, if desired.) Makes enough filling for 18 cream puffs.

Burlingame Architect Sues S. M. County

Capt. E. L. Norberg, Burlingame architect Tuesday filed a \$3000 demand against the county treasury for services rendered in connection with the construction of the northern addition to the county courthouse. Norberg avers that he prepared preliminary sketches and plans and was ready to perform the work. He worked under written contract dated Mar. 14, 1940, from the county executive.

The board of supervisors meanwhile, denying the executive's right to hire an architect, retained Will H. Toepke who was the actual architect of the work.

After completion of an intensive 12-week instruction course, Sergeant Birmele will be commissioned a second lieutenant, Air Forces, Army of the U. S. at the Miami school candidates study more than 35 specialized courses in administrative, personnel and supply duties.

Knights of Columbus Elect Three Local Men

Edward J. Jurgensen of Redwood City today is the new grand knight of San Mateo Council 1346, Knights of Columbus, following his election at a meeting Monday night. He succeeds James E. Delhousaye of San Mateo.

Two other Redwood City men, Albert W. (Bert) Jordan and Paul McCarthy also were among officers elected. Jordan will serve as one of two outside guards, and McCarthy will be advocate.

Other officers are: Anthony F. Giannotti, San Bruno, deputy grand knight; Frank Jacobs, Burlingame, chancellor; Walter Lucett, Burlingame, Warden; John Ferguson, San Carlos, recorder; Paul Son-tag, Burlingame, financial secretary; Capt. F. S. B. Cawthorne, San Mateo, treasurer; Edward Silva, San Carlos, inside guard; Thomas Haley, San Mateo, outside guard; Delhousaye, trustee. Installation ceremonies will be held on July 13.

Brand Thanks Workers In War Bond Sale

John W. Brand, chairman of the Redwood City War Savings Campaign committee, today expressed appreciation for the co-operation of persons participating in last Saturday's War Bond and Stamp Sale which was held under the auspices of the Redwood City Commuters Club.

The appearance of Henry and Harold Cragg was arranged by E. F. Chittenden; Rudolph Grana appeared through the courtesy of Zaccante Accordion School; Louise Andermahr and Bobbie Andermahr were present through the co-operation of Mauna Loa; all acts were arranged for by Thomas G. Giannini.

Tribune Carriers Attend Ball Game

As a reward for their efforts in a recent subscription drive, Tribune carriers attended a baseball game in San Francisco between the Seals and the Hollywood Twinks.

Attending the game as the guests of Walter (the Great) Mails, Seals publicity agent, the boys later returned to Redwood City where they were treated to a banquet at Sodini's restaurant.

THEFT SENTENCE
Two 18-year-old San Franciscans, Albert Flores and Frank Badolato, were serving six month county jail terms on charges of stealing automobile tires from cars of defense workers in South San Francisco. They were sentenced Saturday by Police Judge L. G. Hardy Jr. in South San Francisco.

Health Director Warns Of Rabies Possibility

Dr. C. C. Gans, county health director, has warned San Mateo County to be on the alert against rabies. Recording a case of rabies in a cat in the South County area, he urged that all animal bites be reported to the health department.

The department's morbidity report for the week of May 30 showed 37 cases of German measles, 67 cases of measles, 14 cases of mumps, and 16 cases of chicken pox in the county.

M.P. Fire Department Extinguishes 2 Blazes

Two small fires were extinguished by the Menlo Park Fire Department Tuesday, one a fence fire in the 1000 block of Curtis St., the other a grass fire at Pine and Cherry Sts.

The latter was attributed to a dropped cigaret. Careless burning ignited the fence. Remains of the so-called Java ape-man are considered to be 500,000 years old.

Civil Defense Hits Snag In Council

Attempts to reorganize Redwood City's civilian defense organization hit a snag Tuesday night when Mayor Floyd D. Granger protested that an ordinance submitted by City Atty. Paul A. McCarthy provided for divided responsibility and did not follow Office of Civilian Defense outlines.

"If this ordinance is passed," he declared, "it makes the city manager fully responsible for the civilian defense and I want no responsibility for it."

He said the proposed ordinance set up a defense council, naming the mayor as "president."

NOT FRATERNAL GROUP

"This is not a fraternal organization," he reminded the city board. He asked that the members study OCD regulations that a copy of these be sent to each councilman before acting on the proposed ordinance Monday.

Proposal to appoint Police Sgt. W. H. Thorpe as assistant civilian defense co-ordinator under the city manager also drew fire. Councilman Harold F. Anderson maintained his services were too valuable to the police department. Councilman Evans A. Fletcher proposed that Thorpe's salary be increased and that he be placed in full-time charge of the civilian defense training program.

"We can't go around holding each other by the tail like a bunch of monkeys hoping that nothing will happen here," Fletcher argued.

ELTINGHAM ASKS RELIEF

It was disclosed that City Clerk C. W. Eltingham has asked to be relieved of his duties as defense co-ordinator.

Councilman W. M. Werder held that the city manager is the logical person to take charge of the civilian defense under what was termed the "present" situation, the mayor to assume command in time of "emergency." "What good would it be for me to assume command of an organization if I wasn't sure it would work?" Granger demanded. The whole problem was laid over to the next council meeting.

H. D. McKay Jr. Starts New Work at Camp Roberts

Hammel D. McKay Jr., on leave of absence from the advertising department of the Tribune, this week began duty as an assistant field director of the American Red Cross at Camp Roberts.

McKay's job with the military will involve, among scores of other problems, working with enlisted men to solve their welfare problems, investigating furlough requests in co-operation with Red Cross chapters in the men's home communities, obtaining recreational and other equipment frequently requested by commanding officers for their men, and making loans for emergency furloughs after a furlough has been granted by the army.

McKay spent a month in training in Washington, D. C. He is a Stanford University graduate, and was with the State Relief Administration as case aide and supervisor in several California counties from 1934 to 1936.

McKay's mother and stepfa-

ther, Mr. and Mrs. Leon Owings, live in Durham, Butte County.

HAMMEL D. MCKAY JR.

Walter W. Hilton Becomes Seventh R.C. Councilman

Walter W. Hilton, jeweler, war veteran, and school trustee, became the seventh man on Redwood City's city council. He was appointed at an adjourned meeting of the council last night to fill the unexpired term of Lieut.-Col. Henry W. Edmonds, resigned.

Although the appointment was unanimous at the final count, it was not made until after Councilman W. M. Werder nominated Louis Jenkins Jr., member of the library board and associated with a San Francisco investment firm. Former Mayor Harold F. Anderson attempted a parliamentary maneuver to win a week's delay, but failed.

Hilton, nominated by Councilman Evans A. Fletcher, received the votes of Fletcher, Councilmen Carl Britschgi, George W. McNulty and Mayor Floyd Granger on the first roll call. Anderson passed and Werder voted for Jenkins. Both later changed their votes to Hilton.

The new appointee, who will take office next Monday, is a

native of San Francisco. He served as an airplane mechanic in the army air force overseas in the last war. He is secretary of Redwood City Lodge 168, F. & A. M.

WALTER W. HILTON

Proposed Airport Will Be Gardened

Redwood City's proposed \$100,000 airport, which was to have become a center of civilian pilot training and a distributing point for aircraft, today was slated to become a salad patch.

The Redwood City city council Tuesday night approved plans of Lee O. Cox, manager for Elinson Flying Corp., which holds the 91 city acres under lease, to plant the acreage to tomatoes and cucumbers. The city will furnish water at 5 cents per 100 cubic feet from city wells located on the tract. The wells will be reconnected to the city system in case of emergency.

C'est la guerre!

Sequoia Seniors, Frosh Are Tuberculosis-Free

Tuberculosis tests just completed among 385 members of the Freshman and Senior classes at Sequoia Union High School showed today that not a single pupil was infected with the disease.

All of the pupils tested were first given an injection patch

M.P. Man In Train Fall

Falling through an open trap in the vestibule of a commuter train going from 40 to 50 miles an hour through a tunnel near San Francisco Tuesday, W. A. Westington, of Menlo Oaks Dr. and Madison Ave., Menlo Park, miraculously escaped serious injury. He was taken to the Southern Pacific General Hospital. He was general industrial agent for Southern Pacific Co.

Westington said he was in a hurry to get off the train and stepped into the vestibule between the engine and first car while the train was going through a tunnel at Third and Williams St., San Francisco. Possibly blinded by smoke, he fell through an open trap. Trainmen said the trap was closed at their last stop, South San Francisco.

When rescuers arrived they found Westington walking out of the tunnel. Upon arrival at the hospital he was found to have no broken bones. Further examination is being made for internal injuries.

test which revealed that 40 of the 385 had had the infection at one time in their lives.

X-ray examinations of this 40 revealed that none, however, were infected at the present time.

Committee Studies Underpass

MENLO PARK—A three-man committee this week started investigation of long-considered plans to construct a pedestrian underpass beneath El Camino Real at Oak Grove Ave., near the Menlo Park Central School, as a safety precaution.

The proposal was revived Tuesday night at a meeting of the Menlo Park City Council when D. R. Crawford and C. A. Mundt, representing the Menlo Park Lions Club, asked the board to take some action towards construction of the underpass.

Crawford stated that "no citizen he had spoken to" was against the project, and said he was informed that the army would be in favor of its construction.

COMPLETE SATISFACTION

His investigation in other cities, he said, had revealed complete satisfaction with underpasses already built. He indicated that, with civilian defense work and the increased highway traffic, the Menlo Park police staff was overworked and found it difficult to spare a man all the time at the Central School crossing.

Mayor Charles Oram asked Police Chief Thomas Kearney about feasibility of automatic signals. Chief Kearney maintained that signals were not satisfactory, particularly with children, who cannot be expected to obey them strictly. He advocated an underpass.

Mundt presented rough estimates of material and cost — \$15,000.

PTA SUPPORT
A communication from the Menlo Park Parent-Teacher Association supported the plan.

The council appointed Mundt, Crawford, and Oscar H. Olson, superintendent of district schools, on a committee to investigate methods of obtaining the underpass. It will submit a report prior to July 14.

The council voted \$11 to purchase a first-aid kit, to be placed at the air-observation post near the public playground, at the suggestion of Assistant Chief Observer Harold Bishop.

On the question of civil service for Menlo Park police, Councilman William Cutter reported he had talked with several neighboring police chiefs, who were against such a plan. He will continue investigation.

Revision of ordinance four was submitted for first reading. The revision would empower the council to appoint commissioners of streets and sidewalks, health and lights, parks and recreation, and police and safety.

Official Calls For Cost Estimates

Officials of San Mateo County, Burlingame and San Mateo met at the U.S. maritime academy site at Coyote Pt. Tuesday and instructed the county and city engineers to prepare estimates as a basis for division of costs. The county already has agreed to provide 10 acres of land, free installation of public utilities, and access road and a channel. San Mateo and Burlingame have been asked to share the cost.

Representatives of the utilities agreed to provide required services if priorities are provided by the U.S. Coast Guard, which is constructing the academy.

A three-inch hummingbird flaps its wings 200 times a second; a four-foot pelican flaps once a second.

Redwood City Owls Elect New Officers

The Redwood City Nest 1484, Order of Owls, will give its annual picnic on June 21 at Cananda Rd., Woodside, according to plans outlined at a meeting. The public will be invited to the picnic.

Officers for the ensuing year were elected. They are Steve Anglin, past president; Steve Stratti, president John Bragoni, vice president Antonio Riccardi, invocator; Louis B. Demattels, secretary; Joseph Delucchi, treasurer; Dominic DeGiovanni, warden; Aquilino Dranchini, sentinel; Ben Patritti, picket.

Two \$100 War Bonds will be bought this month by the Owls, the members voted.

The railroads carry more than 90 per cent of all U. S. mail.

Further Restrictions on Telephone Installations Are Necessary to Save Materials Vital to the War

The latest War Production Board Order further restricts the use by telephone companies of materials essential to the war effort. It restricts the building of cable or wire lines for the installation of new telephones, both business and residence, if more than a minimum of construction is involved — except for service necessary in the war effort or for public health, welfare and safety. It requires much wider use of party-line service.

The reason for these restrictions is to save additional quantities of critical materials used in providing telephone service — such as copper, aluminum, tin, steel, magnesium, zinc, nickel. These materials are urgently needed for the Nation's planes, tanks, guns, ships, munitions. They are VITAL TO VICTORY.

To install one extension telephone may require no more than 30 or 40 feet of copper wire, but to install thousands of them takes enough copper to wire a fleet of bombers.

The immediate effect of these restrictions upon the public will vary in different localities, depending upon what, if any, facilities are available. If you should be unable to secure the service you want, we know you will understand why. The temporary sacrifice of your personal convenience will make a worth while contribution to VICTORY — it is a real part of the price of protecting LIBERTY.

Industry Delivers the Goods

We haven't won the war, but we've already had some news and some victories here at home which are encouraging.

A year or so ago, some persons were about ready to junk America. It sorta looked as if democracies and countries which enjoyed freedom were softies. It looked as if a country really had to have a dictator in order to survive in the new world and under the new order — or disorder.

Then one morning we were really at war and American free enterprise and industry which had been more or less marked for the dog house were called on frantically for help.

Boy! The past few weeks have been full of reports of such progress in war production as to warm the heart of every American. Have American business and American workers come through!

Some plants are a year ahead of schedule. American industry has completed the greatest retooling job in all history. For example, a plant which made lawn mowers is now making Nazi mowers (shells), a refrigerator company is making guns, a sewing machine company is making pistols, and a typewriter plant is making

American teamwork is all right!

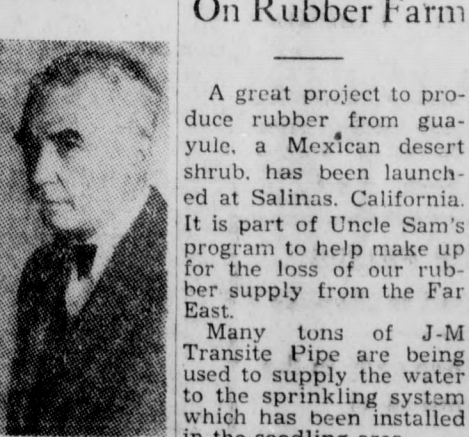

machine gun parts. And so on.

One American factory is already producing a train load of tanks a day. We're building thousands of planes a month, and haven't even started. And 27 ships were launched in one day. It may still be a long war, but we've already had the grand news that free enterprise, the American way, democratic production methods, scientific management and the labor of free men can, when put to it, do a better job than anybody's dictatorship.

J-M FAMILY ALBUM

At the right is Elmer Davis whose news program is sponsored by Johns-Manville. "Elmer Davis and the News" may be heard every evening Monday through Friday at 8:55 p.m., Eastern War Time, over a nation-wide hookup of the Columbia Broadcasting System. The program gives the latest news about the war and Johns-Manville products in the war.

J-M Pipe Used On Rubber Farm

A great project to produce rubber from guayule, a Mexican desert shrub, has been launched at Salinas, California. It is part of Uncle Sam's program to help make up for the loss of our rubber supply from the Far East. Many tons of J-M Transite Pipe are being used to supply the water to the sprinkling system which has been installed in the seedling area.

J-M To Help U.S. Farmers Store Grain

Johns-Manville is co-operating with the War Production Board and the Department of Agriculture to help farmers store their grain.

At present 75 per cent of existing storage space is now taken up by grain held over from last year. Terminal warehouses cannot be enlarged because of lack of critical metals and flat storage space is not available because it is needed for war materials.

For this reason the Department of Agriculture is urging farmers to hold their new grain on the farms or in farm communities.

To do this 300,000 granaries must be constructed immediately.

Metal storage bins are out of production because metal is vitally needed for tanks, guns and ships. Because of this situation and because of the need for fire protection and rodent protection in grain storage buildings, asbestos products are being widely used.

Johns-Manville, leading manufacturer of asbestos products, has adapted the granary plans of the Department of Agriculture to construction with asbestos materials and has provided construction drawings to all Johns-Manville dealers in grain-raising areas.
